Hot HEADPHONES

Multiple Olympic gold medalist **Michael Phelps** gets his swim on with H2O Audio Surge bass-amplified waterproof headphones. The \$60 watertight earbuds are submersible up to 12 feet and provide crystal-clear sound. The brand also has waterproof cases for most iPods (see below), so you can safely take them underwater too. h2oaudio.com

HOT Sheet

Hot LISTS

Need help getting organized? Lobotome ensure nothing ever slips and there's a checklist for each ME (which helps you plan). Check ME (a supermarket bag), Feed ME (a weekly meal list), and more! The company also and planners — and everything else you need — is made from recycled materials. \$10-\$20. lobotome.com

Pick Of The Week RESTAURANT

on Manhattan's Upper East Side, is the kind of eatery where everyone knows your name! Manager Alex, chef Bruce, and dining captain (from left) seek to give every customer a dining experience. Try the punny wedge of delicious real marula, and don't forget to get a reservation — the place gets packed! 212-865-1021

Hot SANITIZER

Germs are gross! But killing them is glamorous, with Ed Hardy Habit — the first designer hand sanitizer made by fashion icon **Christian Audigier**. With no need for soap or water, this gel kills 99.9 percent of most common germs in as little as 15 seconds! The product's coconut-bergamot scent is divine, and the bottle design is totally hip. No wonder reps say **Madonna** is a fan! Available in two sizes: a 2 oz. bottle (pictured) for \$5 and a 9.3 oz family-size pump for \$13. edhardyhait.com
